APPARTAMENTO SPAGNOLO ●

Palazzo Castiglioni
Ingresso da corso Venezia 51
Milano

20 — 26 aprile 2026

In occasione della Milano Design Week 2026, Elle Decor Italia e Interiors From Spain presentano una nuova edizione di “Appartamento Spagnolo”, ospitata negli spazi iconici di Palazzo Castiglioni e curata da Studioepepe. Il percorso espositivo interpreta l'abitare contemporaneo attraverso il principio della scoperta: pod organici e avvolgenti definiscono il salotto, la camera da letto, il bagno e la cucina, trasformando ogni ambiente in una microarchitettura da attraversare. L'allestimento combina tocchi di colore e stratificazioni materiche per creare un'atmosfera calda e accogliente, ma con un carattere deciso. Le migliori aziende spagnole presentano arredi e superfici in dialogo con l'eleganza storica di Palazzo Castiglioni, che diventa cornice e contrappunto di questa visione progettuale. Un appartamento tutto da scoprire, tra sperimentazione e comfort, aperto al pubblico al civico 51 di Corso Venezia.

During Milan Design Week 2026, Elle Decor Italia and Interiors From Spain unveil a new edition of “Appartamento Spagnolo”, set within the iconic Palazzo Castiglioni curated by Studioepepe. The installation reimagines contemporary living through a sense of discovery: soft, organic pods shape the living room, bedroom, bathroom and kitchen, turning each space into an intimate architectural vignette to step into. A refined play of colour and material layering creates a warm, inviting atmosphere with a strong, distinctive identity. Leading Spanish brands present furniture and surfaces in dialogue with the timeless elegance of Palazzo Castiglioni, which becomes both backdrop and narrative counterpart to this renewed design vision. An immersive apartment experience—where experimentation meets comfort—awaits visitors at 51 Corso Venezia.
